NEW LUNCH

The LEGO® Themed Lunch Box and Drinking Bottle add more fun to lunch time with the Emoticon themed graphics.

The lunch box is easy to open for kids and with the movable divider inside you can separate vegetables, fruits, sandwiches etc. The drinking bottle has a nice grip, which makes it suitable for kid's hands. The silicone spout is covered by a semitransparent cap, keeping it free from dirt when not used.

TUMBLER W STRAW

The LEGO Tumbler with Straw makes it easy to keep hydrated on the go. The soft silicone straw is easily hidden with a slider, inspired by the LEGO Brick Separator.
